KRISTI LAYMAN
SENIOR WORKPLACE DESIGNER

Kristi Layman brings an impressive 25-year tenure in Interior Design and Space Planning to our team, marked by a wealth of experience in managing various furniture systems, including Teknion, Steelcase, Allsteel, and Hon. Her senior-level knowledge in furniture design extends to a specialized expertise in value engineering and asset/inventory management.

Within our organization, Kristi holds a pivotal role, entrusted with the task of crafting functional and aesthetically pleasing environments that precisely align with our clients' unique requirements. Kristi has a reputation as a highly motivated professional consistently going above and beyond to ensure the complete satisfaction of our valued clientele.

Kristi's adaptability to thrive in fast-paced environments is a testament to her exceptional multitasking abilities, honed over many years in the contract furniture industry. Her unwavering commitment to delivering excellence and her capacity to swiftly respond to evolving demands render her an indispensable asset within our team.
