CHAD PATTERSON
SENIOR ARCHITECTURAL AND FURNITURE PROJECT MANAGER

In 2018, Chad joined the Office Interiors team as a Project Program Coordinator, focusing his efforts on the Smile Direct Club project. In this role, he successfully oversaw the rollout of more than 25 Smile Shops across the country. Chad's exceptional attention to detail and commitment to follow-up set him apart, ultimately leading to his transition into a Project Manager position where he has successfully managed several million-dollar projects.

Chad's remarkable work ethic and unwavering commitment to precision made his promotion to Senior Project Manager in 2023 a natural progression. In this capacity, he plays a pivotal role in collaborating with clients, vendors, and our internal team to ensure that every workspace is optimized to its full potential.

Chad brings a wealth of prior project management experience to his current role, complemented by his background in Public Relations gained during his tenure with the New York Mets. This unique blend of skills and experience positions him as a valuable asset to our organization, consistently delivering exceptional results and exceeding client expectations.
